## The Art of Marriage

It is never being too old to hold hands.  
 It is remembering to say "I love you" at least  
 once each day.

It is never going to sleep angry.  
 It is having a mutual sense of values and  
 common objectives.

It is standing facing the world.  
 It is forming a circle of love that gathers in the  
 whole family.

It is speaking words of appreciation and  
 demonstrating gratitude in thoughtful ways.  
 It is having the capacity to forgive and forget.

It is giving each other an atmosphere in which  
 each can grow.

It is a common search for the good.

It is not only marrying the right person, it is  
 being the right partner.
